

## **Job Description for Master Clinicians**

### Minimum Qualifications:

1. ASHA certification: Speech Pathology or eligible certification. (enclose copy)
2. Master's Degree in Speech Pathology. (enclose copy)
3. At least three years of paid clinical experience.
4. Bias toward a behavioral management approach.
5. Master Clinicians must live in housing provided by I.R.R.R., Inc. during the camp session at the Meadowood Springs Speech and Hearing Camp.
6. Referral of students from District or caseload – active recruitment.

### Responsibilities:

The individual who fills this position will become an employee of I.R.R.R., Inc. dba Meadowood Springs Speech and Hearing Camp. He/She shall be responsible to their direct supervisors and the Board of Directors of I.R.R.R., Inc. It shall be understood that the employee has a duty to see that the policies of I.R.R.R., Inc. are maintained as they relate to the employee's area of responsibility.

1. Supervise Student Clinicians and their therapy programs, provide information, tips, therapy techniques, ideas and materials to Student Clinicians to assist with therapy with campers. Assume the leadership for all therapy in your caseload.
2. Participate and supervise pre-testing of caseload upon arrival at camp and post-testing caseload, according to camp prescription. Help read and interpret camper files.
3. Observe and assist Student Clinicians with entrance/exit interviews, providing speech/language therapy and giving diagnosis. Responsible for comprehensive conference with the parents of each camper upon the completion of the session with Student Clinician.
4. Accompany Student Clinicians and campers from breakfast through evening activities.
5. Determine and carry out an effective therapy program based upon diagnostic information. Meet with Student Clinicians during prep period, F.O.B. and evening meetings.
6. Directly supervise all clinical clock hours per ASHA guidelines as reviewed during training week.

7. Review camper final reports and make recommendations and/or corrections as required. Submit final drafts to Clinical Director for final approval.
8. Responsible for all equipment used in therapy and return in good order at the close of camp.
9. Responsible to the Clinical Director.

These are not the only duties to be performed. Some duties may be reassigned and other duties may be assigned as required.

This job description supersedes and replaces prior job description for this position.
