

Camp Meadowood Springs Job Description for Student Clinicians

Minimum Qualifications:

1. Course work in phonetics, articulation, language, voice, fluency, audiology and diagnostics.
2. Additional course work in signing, stuttering, voice, aural rehabilitation, language disorders and adolescent disorders is optional, and will be taken into consideration when assigning clients.
3. Experience in pragmatic theory, language sampling elicitation and analysis procedures.
4. Experience in one practicum and a minimum of 20 clinical clock hours.
5. Student Clinicians must live in housing provided by I.R.R.R., Inc. during the camp session at the Camp Meadowood Springs.

Responsibilities:

The individual who fills this position will become an employee of I.R.R.R., Inc. sponsors of Camp Meadowood Springs. He/She shall be responsible to their direct supervisors and the Board of Directors of I.R.R.R., Inc. It shall be understood that the employee has a duty to see that the policies of I.R.R.R., Inc. are maintained as they relate to the employee's area of responsibility.

1. Determine and carry out an effective therapy program based upon parent interview and diagnostic information. Review camper files and take notes for your caseload. Plan and implement therapy for small group sessions and during activities. You will also need to network with living unit staff to establish camper needs, concerns and goals.
2. Assume the leadership for all therapy in your caseload, set individual goals with approval of Master Clinician and make grid cards.
3. Be with all campers from breakfast through evening activities, except F.O.B. and pool time.
4. Prepare lesson plans, daily log notes, and clinical reports for your caseload in a timely manner.
5. You are responsible for all equipment used in therapy and return in good order at the close of each session.

6. Conduct entrance and exit interviews with the parents of each camper upon the completion of the session with your supervisor. Prepare carryover therapy activities packet for exit interview with parent.
7. Responsible for keeping all camper records in locked file, or destroying/shredding same.
8. Other miscellaneous responsibilities include planning night activities, spotting at the swimming pool and assist living unit staff as needed with campers.
9. Responsible to the Clinical Director.

These are not the only duties to be performed. Some duties may be reassigned and other duties may be assigned as required.

This job description supersedes and replaces prior job description for this position.
